Plasmatising - Audio Visual Service

One of the exciting services offered by Plasmatising is our audio visual rental.

We specialise in high-definition Plasma Screens, Projectors, Cameras, Monitors and associated technology to make your chosen event a stunning success.

We have developed this service in response to our customers' demands for the latest technology at affordable prices.

We have successfully delivered this service to a wide range of clients, at a number of events, including fashion shows, charity auctions and corporate entertainment occasions.

Our audio visual services have been used at a number of top venues in London, including The V&A Museum and The Wallace Collection.

Our Tech

We have a huge range of Audio Visual Equipment at our disposal to make your event stand out!

From Full HD Plasma Displays, right through to HD Cameras and Small Monitors.

All of our kit is fully tested, checked and cleaned before it is sent out to assure quality and reliability upon arrival of your event. Everything arrives in flight cases or protective casing to prevent any damage in transit.

Why Choose Us?

The 3 Reasons

Backed By Experience

We have a wide range of experience in Audio Visual Technology and access to the latest technology on the market.

Value for Money

We are able to offer highly competitive AV Rental rates because our overheads are so low.

Hassle Free

We know that corporate events can be stressful to organise, especially where technology is involved. So, why not let Plasmatising take the strain!

Satisfied Customers

This is a selection of the comments received from our satisfied customers:

"The friendly, professional service the Plasmatising team provided helped make our Event a great success. Please pass on our thanks and we look forward to working together again." Regards Ken D'Souza

MD of Constructive Communications Limited

"I have been impressed with the quality of service that Plasmatising have supplied for my events, and would not hesitate to use them again"

Dominic Watson

MD of Focus and Lighting Productions

"Plasmatising is a great company, operated by two enthusiastic guys, that provide an excellent service to the shopping centre industry. We use Plasmatising for mall-event support, plasma screen advertising and plasma screen hire. I highly recommend Plasmatising as a young dynamic team, always delivering quality produced on time."
